Parish Meeting: Fr Michael would like to invite all parishioners of St Luke's and Ss Peter & Paul to a special meeting on Wednesday 12 September. There will be the usual Wednesday evening Mass at St Luke's (7pm) which will provide the opportunity for both parishes to celebrate the various ministries that are already part of our parish lives (in line with the diocesan *Hope in the Future* initiative). As Mass ends, we will move into a meeting to discuss the way we take things forward together. So the evening will be an opportunity to pray together and talk together about the future of our parishes. All are welcome.

Welcome into the family of St Luke's:

BREAD FOR ETERNAL LIFE

"Anyone who eats this bread will live forever"

Jesus is wisdom of God in the flesh. His dream is not only to invite people to the banquet of life but to be the BANQUET OF LIFE HIMSELF. Eventually he makes this possible by the total giving of himself on the cross.

"THIS IS MY BODY, MY BLOOD GIVEN TO YOU." **This is self-giving love.** FIRST ON THE CROSS AND NOW IN HOLY COMMUNION. He is now the food of life. "DO THIS IN MEMORY OF ME"

WHAT ST LUKE'S MEANS TO ME – BY OUR PRIESTS

Fr. Patrick

During the 7 years I have been coming to St Luke's I have always felt that it is my home because of the very warm, kind, generous and welcoming environment created by Fr John and the parishioners. It is a pleasure to be here to witness the good humour, friendship and good sense of Fr. John.

Fr. Joseph

My experience of St Luke's is one big family with Fr. John at its centre just like a loving father. The loving fruitful relationships created are strong and vibrant and are evident throughout the whole parish where everybody is welcomed into the family.

Fr. Uchenna

Social Life and worship at St Luke's are awesome! I always get excited when I go to St Luke's because for me it has been a family. I always feel at home, welcomed and engaged. It gives me joy meeting Fr. John and the parishioners of St Luke's. I always come away feeling better, happier and encouraged.

Fr. John himself

A privilege to serve an exceptionally talented, wholeheartedly committed, incomparably generous and extremely warm welcoming parish. The FAMILY of St. Luke's

THANK YOU! THANK YOU! THANK YOU!

And the pick of them all!

WHAT DOES IT MEAN TO BE BRITISH.

"Being British is about driving a German car to an Irish pub for a Belgian beer, then going home, grabbing an Indian curry or Turkish kebab on the way, to sit on Swedish furniture and watch American or Australian shows on a Japanese or Korean TV which will soon be powered by a Chinese nuclear power station. And the most British thing of all? *Suspicion of anything foreign!*"
